

**Crosswalk from old courses to new:**

The IT Programs require revisions due to prefix and number changes. The chart below is a crosswalk between the old Information Technology program courses (left) with courses in our current inventory that meet the same outcomes. These changes apply to the following IT Program programs:

Database Design and Development (503C)

Web Development (507C, 507T)

Programming and IT Support (509T, 509A, 509B, 509C)

Programming (515C, 515T)

Web Design (524C, 524T)

Network Design and Administration (527C, 527T, 527D)

\*See Program Revision Requests for specifics to each program
